GREAT AMERICAN CLEAN UP REPORT

The 23rd Annual Great American Clean Up was a big success as over 400 excited volunteers gathered on the 100' block of North Isabel Street to devote their morning and early afternoon to sprucing up the City.

At the end of the day, volunteers removed hundreds of pounds of litter and junk from vacant lots and along some of the City's busiest streets. Cigarette butts were once again the most abundantly littered item, according to volunteers. General gardens were planted in several bare areas that needed landscaping and many other blighted areas were cleaned up. Be sure to watch the late episode of [NSTV](#) for complete event coverage and check out our [online photo album](#).

We appreciate all the community partners who support the Great American Clean Up and who volunteer their time to make Glendale a cleaner, safer and more beautiful community. For more information about community beautification and volunteer opportunities, visit [www.CleanUpGlendale.org](#) or contact [Sandra Rodriguez](#) at (818) 548-2877.
